

DR. DAVID F. COWAN

PRIMARY CARE SPECIALISTS OF ORLANDO, LLC.

LAB TEST AGREEMENT

This Agreement pertains to all patients that have an insurance policy and excluded all Medicare and self-pay patients.

Due to many insurance companies now contracting directly with the laboratory, we are being put in the position of having to provide you a prescription for any labs deemed necessary and expect you to have them drawn in the time frame stipulated.

For those who cannot afford the time and hassle of waiting at a lab draw station (where appointments are not given), as a convenience, we will offer this service at our office.

Patients who desire ***Primary Care Specialists of Orlando, LLC***. To draw blood understand that they will be charged a twenty dollar (\$20.00) convenience fee. It is understood that this convenience fee is not for the drawing and handling of you blood and that it is not a "Covered Service" by your insurance company. Therefore, this fee is not reimbursable by you insurance company.

If you are in agreement with this policy and would like to have your labs drawn at out office, please indicate your acceptance of this policy by signing below.

I have read, understand and agree to the office policies stated above.
